I agree. I do remember the disconnect when we were in this same position. We had spent several years after and now we were kumbaya-ing.

DOJ is asking that I get comments back to them by COB Wednesday and they will turn it around by COB Friday so we can send that draft to management. They want management input by COB Monday. Cecil had wanted to see it and I'm just

wondering if one working day is enough for him to review. What do you think? If not, I can send this along now with the caveat and just add them to the overall comments from me and Steve.

Hi all,

I have attached a working draft of the opposition brief for your review. Please note that the document will be proofread and cite-checked in the future, so please focus your review on the overall substance at this point. **Ex. 5 Deliberative Process (DP)**
